## ABOUT US

Solstellar Pvt Ltd, which has been in the field of solar installation since 2017, was registered as a private limited company in 2022. So far 100+ different projects ranging from 3 KW to 100 KW have been implemented in Kerala including central government subsidy scheme for solar household users. The office of the company is functioning in the corporation building at Cheruti Road in Kozhikode district. The company is advancing with the slogan of promoting green energy by creating new projects and employment opportunities.
